Full refund less Application Fee and the first month's Homestay Fee if student authorization is not approved by Canadian Embassy or Consulate (letter of rejection from High Commission must be included).

If a student cancels before the program begins, two thirds of the full Tuition Fee is refundable.

If a student voluntarily leaves the program within 30 days of beginning, half of the full Tuition Fee is refundable.

If the status of the student changes after September 30th, to permanent resident or Canadian citizen (where international fees would normally not be applicable) there will be NO REFUND of international fees for that school year.

30 days after the commencement of classes OR in the event of being required to leave the program because of faulty documents, failure to obey Program Rules or being charged with a criminal act in Canada, NO REFUND is provided.

Please Note: In all of the aforementioned situations there will be no refund of Application Fee and first month's Homestay Fee.

The Board and school will not be liable for losses or expenses you may incur as a result of the Board being unable to provide education owing to labour disputes or other causes beyond its control. Fees will be refunded only if the education program in which the student is enrolled cannot be completed within the term.

ADDITIONAL COSTS

International students will not be charged additional fees for items which are required costs of the school and the classes they are enrolled in. For example, locker fees, physical education fees, art project fees, etc. However, they are expected to pay for items which are completely optional and at the discretion of the student. Examples of which would be things like purchasing the school yearbook, joining the school ski club, etc.

**Addendum A – Tuitions & Fees cont'd*****INSURANCE***

Through our International Student Program students are provided with medical insurance coverage with a private insurance company and then when eligible, also with British Columbia Provincial medical insurance. Insurance coverage will be provided during the entire length of the student's stay in Canada.

HOMESTAY COSTS

The homestay fee is \$900 per month. This fee covers the student's accommodation and meals. International students are to pay the homestay family directly on the first day of each month.

International students are expected to pay the full amount of the monthly homestay fee for months such as December, January, and March even if they leave the homestay residence during a holiday period. With regards to the month of June, if the student leaves the homestay residence on or before June 15th (and notifies the Homestay Coordinator of the intention to do so by June 1st), the student will only have to make the homestay payment for the first half of June (\$450). However, if the student leaves the homestay residence after June 15th, the student is responsible for paying the full month's homestay fee.
